Supervisor Knabe made the following statement:

“The Del Rey Yacht Club will be hosting the 18th Biennial Marina del Rey to Puerto Vallarta, Mexico, International Yacht Race from February 9 through 18, 2005. This well known and prestigious race originated in 1971 and is the longest continuously and regularly scheduled international yacht race to originate within the continental United States.

“In past years, the Los Angeles County Department of Beaches and Harbors has, at our Board’s direction, waived dock fees for participants in the race that could not dock at Del Rey Yacht Club due to space constraints. This year, approximately 40 to 45 boats will participate in the race and the yacht club has requested that dock fees be waived for up to 15 dock slips at Burton Chace Park, which would be used from January 29 through February 18, 2005, on an as needed basis. An estimated amount of up to \$8,100.00 in fees would be waived if all 15 dock slips were used for visiting yachts.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried, the Board waived dock fees from January 29 through February 18, 2005, in the amount of \$8,100.00, for up to 15 dock slips at Burton Chase Park, excluding the cost of liability insurance, for the 18th Biennial Marina del Rey to Puerto Vallarta, Mexico, International Yacht Race to be held February 9 through 18, 2005.
